ELIS SEIS - Public Mtg 5 - TRANSCRIPT (Draft1) (15Dec14 EPAR1 comments ).docx

Hi Bernward,

You had provided the transcripts from the Riverhead meeting to us on 12/15 with a request to respond to you by 12/23.

I could not do that since I was on vacation that week.

I assume you had also sent revisions on the Riverhead transcript 8 days ago?  
it appears that the transcription machine or translation machine changed cooperating to corroborating whenever I talked about cooperating agencies.

So, anyway, here are my comments. Highlighted in yellow. I will not be reviewing the transcript again, so please have your stenographer make the edits.

Also, as part of the Draft Public report (which will be sent out to others for review).. there should be an opportunity to review the transcripts.

So I am not sure why the transcriptionist is editing them now.

Thanks, jeannie

Hi Jeannie,

The only missing piece is the revised transcript from the New London mtg. Edits were sent back

to the stenographer about 8 days ago, after review by Frank/Grant and me. Once available, I compile the pieces and send the Public Meeting Report to you. Everything else, including the revised final transcript from Riverhead, is available.
